

Type HCW30

Pre-galvanised strip

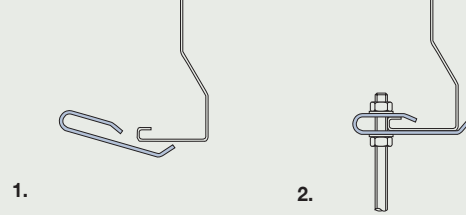

A purlin clip suitable for horizontal purlins. Can be used with Type SW (see page 61) for use on inclined purlins.

Product Code	Purlins	Rod	Safe Working Load (3:1 Factor of Safety)	
			Tensile kN	Tightening Torque Nm
HCW30	Kingspan Multibeam 3	M10	0.2	8

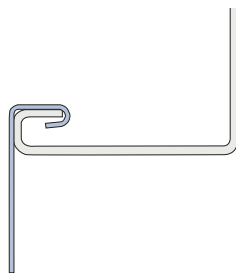

■ Order example: HCW30

Installation

Type HCW31

Pre-galvanised strip

A universal purlin clip suitable for multiple applications.

Product Code	Purlin	Safe Working Load (3:1 Factor of Safety)	
		Tensile kN	
HCW31	Kingspan Multibeam 3	0.2	

■ Order example: HCW31
